*La Piñon is a United Way Agency*  
*And a member of*  
*Southern New Mexico Community Foundation*

**Mission:** *The mission of La Piñon is to provide a comprehensive array of services related to sexual assault and abuse to individuals, families and the community.*

**Philosophy:** *La Piñon believes that by offering unconditional support, information and a safe environment for change, the person who has been sexually assaulted can take steps to regain control of their life and make the transition from victim to survivor.*

**Services:**

**Crisis Intervention:** *24 hour 1<sup>st</sup> response to adults and child victims of sexual assault through phone or in person. Advocates are an integral part of the child protocol for Dona Ana County. Trained volunteer advocates execute this service after graduating from 40 hours of intensive training in sexual assault advocacy intervention.*

**SANE Project:** *Sexual Assault Nurse Examiner Project collects forensic evidence for identification and prosecution of the alleged perpetrator. Highly trained nurses working with sophisticated equipment, perform this task. Nurses are trained to be expert witnesses in court. SANE is located at Memorial Medical Center. MMC has given this very special project housing which enables this non medical procedure to be conducted outside the emergency room. SANE collaborates with law enforcement and the District Attorney's office to help identify and successfully prosecute the alleged perpetrator.*

**Counseling:** *Outpatient therapeutic counseling for sexual assault survivors is facilitated by Licensed Professional Clinical Counselors with extensive experience in sexual assault and trauma related issues.*

**Community Education and Prevention:** *Responsive, flexible presentations and professional training concerning sexual assault issues and internet safety. These presentations are provided to Dona Ana County in English and Spanish using interactive activities, videos and power points.*

*place for a child to reach out where someone will listen and offer non-judgmental unconditional support. This service empowers and provides resources for children to take control of their circumstances and have a role in overcoming their concerns.*

**A Message to our Friends:**

*New Mexico ranks 9<sup>th</sup> in the United States in lifetime prevalence of rape among adult women, as 19% of NM adult women have been raped at least once in their lifetime. The national average is 13%. This translates to 1 in 5 women or 12,470 women in Dona Ana County. Only 1 out of 7 sex crimes are ever reported to anyone. Sexual assault is a horrendous crime which affects the victim for many years, if not their lifetime.*

*La Piñon works in a collaborate and cooperative environment with the Third Judicial District, law enforcement agencies and all victim advocates to help prosecute the alleged offender and aid the victim in becoming a survivor. I especially want to recognize and salute our first responders who dedicate themselves 24/7 to unconditional assistance to help make the worst day of someone's life a little better.*

*We could not do the work we do without the support of Governor Richardson, our State legislators, City Counselors and County Commissioners, United Way, NMCSAP, CVRC, Value Option and support from our donors.*

*With Kindest Regards,  
Louise Tracey  
Executive Director*
